

View family physician, **Dr. Serena Verma** and pediatric respirologist **Dr. Connie Yang** to learn about recent updates made to the BC Guidelines: Asthma and how the Guideline can support your office management of pediatric asthma.

This session will be of interest to primary care teams across B.C. who work with children, youth and families.

1. What to expect?

During this webinar, facilitators will use a case-based approach to:

- Review key recommendations and important changes to BC Guidelines: Asthma
- Discuss asthma diagnosis and management in pre-schoolers and adolescents
- Review clinician and family/caregiver resources

2. Click [HERE](#) to watch the webinar recording.

Please note: Family physicians and specialists can self-claim CPD self-learning credits by logging into their CFPC or Royal College membership portal, respectively. More information on the UBC CPD webpage.

Dr. Verma

Dr. Yang
